

ISLAND HOPPING ON LUXURY YACHTS AROUND PHUKET

cruising thailand

06 - 13 OCTOBER 2018

Discover the island of Phuket and its stunning anchorages

Imagine cruising a luxury yacht from one island resort to the next – swimming, sunbathing, sailing & enjoying the friendly Thai hospitality in one of the most beautiful places on earth.

Located south of Bangkok, Phuket is Thailand's largest island. It is often dubbed the 'Pearl of the Andaman'. With its rocky peninsulars, limestone cliffs, powdery white beaches, tranquil bays and tropical rainforests it offers an amazing diversity of anchorages.

The main cruising area encompasses Phang Nga Bay which is stunning and now mostly National Park. The awesome rock formations tower above you. Further south are the myriad of smaller islands surrounded by warm turquoise waters such as the well renowned Phi Phi and James Bond Islands. The combination of the sophisticated and modern beach resorts and the remoteness of the east coast combine to make the best of both worlds!
